

## Visiting Attending Physicians Medical Education International Fall 2024

Hello dear colleague,

Here is list of thr specialists visiting Skopje this fall.

All are experienced clinicians and educators in their respective fields available to lecture to students an residents during their upcoming visits.

I am grateful for the faculty leadership's collaboration with MEI and look forward to contributing in part to the education of future Macedonian physicians.

Respectfully,

Dr.Tim Gaul

Clinical Assistant Professor of Family Medicine

University of Pittsburgh School of Medicine

Director MEI North Macedonia US Physician Project
