

Dear PhD students,

We are pleased to invite you to the third Congress of PhD Students of the Doctoral School in Biomedicine and Health at the Faculty of Medicine in Rijeka, entitled "Science and us". The Congress will take place in Rijeka from 14 to 16 May 2026 at the Faculty of Medicine, University of Rijeka.

The Congress will address scientific topics in biomedicine, public health, clinical medicine, health and environmental engineering, and dental medicine.

PhD students are invited to participate with oral and poster presentations of their scientific research. This international Congress will also feature distinguished invited foreign lecturers. The official language of the Congress is English.

Please find below the important dates:

- **Abstract submission deadline:** 15 March 2026
- **Registration deadline:** 26 April 2026

The registration fee is **EUR 50** and includes lunch and coffee breaks. Detailed information regarding registration and the “**Science and Us**” Congress is available on the website [3rd Biomedicine and Health PhD Students Congress](#).

With warm regards,

Members of the Organising Committee of the "Science and us" Congress
